Menheniot Parish Council

### **Parish Council Representation**

Following the gifting of the hall in 1934 and the amended constitution of January 2014 it states that one member be appointed by the Parish Council on to the Parish Hall committee. This has always happened until now.

At the request of the council chair I am writing to request you to consider appointing a Parish Councillor to carry out this role.

Yours sincerely

Brian R Cade

Brian R Cade.

Trustee / Committee Secretary
