

South East Cornwall Economic Development Group

Topics for consideration in the Terms of Reference.

Economic Development

Description:

Will work with Cornwall Council, Parish Councils, business and community interest groups to create plans, identify key actions and that will improve the prosperity for south-east Cornwall and act as a critical friend to the Economic Growth & Development Overview and Scrutiny Committee.

Need to know and questions to ask

How to identify the barriers to increasing prosperity
(need data on deprivation locally)

How does this fit in with a strategic CC plan?

How do we contribute to it?

Timescale for this??

Who in CC is the cheerleader for SE Cornwall?

How do we make a difference? (who's listening?)

Links to other strategies:

Levelling up – whatever

Inward investment - what's available?
