2026 South East Cornwall Residents Access to Services

Dear South East Cornwall resident,

HELP SHAPE AND MONITOR SERVICES IN SOUTH EAST CORNWALL

Last year I ran my services survey, and I've used the results from that to shape and inform my work representing South East Cornwall both at home and in Parliament.

I want to ensure that I continue to use up to date and accurate information.

As your MP for South East Cornwall, I'm committed to continually monitoring how and where residents access essential services.

Your feedback plays a vital role in helping me support effective planning and service provision—both here in Cornwall and in Westminster.

This short survey takes around **5 minutes** to complete.

Thank you for taking the time to share your experience and contribute to this ongoing work.

Best wishes,

A handwritten signature in black ink that reads "Anna".
