Help Shape the Future of Our Parish

Could You Spare a Little Time to Help Your Community?

Our parish thrives because of the people who live here. Whether you have been part of the community for many years or have only recently arrived, your ideas, experience and local knowledge can help make a real difference.

Emergency Plan Steering Group

We are looking for volunteers to help review and develop our Parish Emergency Plan, ensuring our community is prepared to respond and support residents during emergencies.

Neighbourhood Priority Statement Steering Group

Help us develop a new Neighbourhood Priority Statement to replace the former Neighbourhood Development Plan (NDP) and identify what matters most to our community.

Interested in Becoming a Parish Councillor?

We currently have opportunities for residents to join the Council as co-opted Parish Councillors. No previous experience is required, just enthusiasm and a desire to serve the community.

We'd Love to Hear From You

If you would like to volunteer for one of the steering groups, find out more about becoming a co-opted councillor, or simply have an informal conversation about what is involved, please contact:
